

GEOPHYSICAL FLUID DYNAMICS INSTITUTE  
FLORIDA STATE UNIVERSITY, TALLAHASSEE, FL 32306-3017

Application for Graduate Assistantship

This form should be filled out and returned, together with all supporting documents, including transcript of college record, to DIRECTOR, GEOPHYSICAL FLUID DYNAMICS INSTITUTE. (Transcripts sent to the Registrar in connection with an application for admission are not available in evaluating assistantship applications).

1. Name (print) \_\_\_\_\_ Date \_\_\_\_\_  
(last) (first) (middle)

2. Undergraduate major \_\_\_\_\_ Grade Average \_\_\_\_\_

3. Present address \_\_\_\_\_

4. Home address \_\_\_\_\_  
(where mail will always reach you)

5. Place of birth \_\_\_\_\_ Date of birth \_\_\_\_\_

6. U. S. Citizen \_\_\_\_\_ If not, indicate nationality \_\_\_\_\_

7. Single or married \_\_\_\_\_ Number of children \_\_\_\_\_

8. Physical disability, if any \_\_\_\_\_

9. Colleges or universities attended, dates and degrees

10. When do you propose to begin as a graduate assistant? \_\_\_\_\_

11. GRE score: Verbal \_\_\_\_\_ Quantitative \_\_\_\_\_  
(If not available, this information may be provided later. If foreign student, please provide TOEFL score also.)

12. Honors you have received (as Phi Beta Kappa, Phi Kappa Phi or other scholastic honoraria, prizes, etc.).

13. Experience:

a. Teaching \_\_\_\_\_

b. Geophysics \_\_\_\_\_

c. Fluid Dynamics \_\_\_\_\_

d. Computer Programming \_\_\_\_\_

e. Mathematics \_\_\_\_\_

f. Laboratory (Electronics, Physics, Photography, etc.) \_\_\_\_\_

g. Other \_\_\_\_\_

14. Names and addresses of three persons acquainted with your academic and professional background whom you are asking to write letters on your behalf. (These should be sent by the writers directly to: Director, Geophysical Fluid Dynamics Institute.)

15. In which areas of Geophysics and/or Fluid Dynamics are you most interested?

16. What factors influenced your decision to do graduate work in Geophysical Fluid Dynamics?

17. What are your longer term plans for graduate study and a career?

#### INFORMATION ON ASSISTANTSHIPS

Graduate assistantships may be started at the beginning of any quarter including the summer.

A graduate assistantship may be terminated at any time for:

- (1) failure to maintain a satisfactory academic record, or
- (2) failure to render satisfactory service to the Institute.

Applicants for assistantships will be considered for whatever fellowships they may be qualified. If additional forms are required, these will be sent.

It is not necessary to apply for admission to the Graduate School in order to be considered for an assistantship. Any offer of an assistantship is, however, contingent upon admission to the Graduate School as a regular or provisional graduate student.

A total score of 1000 on the verbal and quantitative portions of the Graduate Record Examination is required by the Geophysical Fluid Dynamics Institute.
